

ANNOUNCEMENT - INVITATION

ARTS AND SCIENCE IN THE DEVELOPMENT OF LIFE POTENTIAL

"Umjetnost i znanost u razvoju životnog potencijala"
Art et Science dans le Développement du Potentiel de Vie
26th until 29th September 2019. / 26.- 29. rujna 2019 .
"BRIONI / HYSTRIA, CROATIA / Hrvatska

The Croatian Association of Psycho-social Oncology, Sophrology and Arts in Therapy (CAPOSART), in collaboration with university and clinical institution and professional association in Croatia and abroad, is pleased to send you a reminder and *i n v i t a t i o n* to attend the 10th International Symposium on Arts and Science in the Development of Life Potential to take place from 26th September until 29th September 2019 at the magnificent Congress Center "BRIONI and HYSTRIA" near PULA in CROATIA.

For over thirty years the CAPOSART (in collaboration with ERF -at the University in Zagreb , and other institutions...in Croatia and abroad (Netherlands, Israel, Italy, Bosnia and Herzegovina, Slovenia, Romania, Estonia, Russia, USA, France, Hungary, India, Greece, Brasil, Germany, England, Albany, Ireland, Sweden, Nigeria, Poland, China, Costa Rica, Switzerland.....) has been narrowing the gap between universities, cultures and countries, and links to information around the globe.

International Symposium Co-chairman Board:

*Dr. Elysaabeth Van der Gulik (Netherlands), Dr. Sylvie Ketelhorn (Costa Rica),
Prof. Dr. Wang Mingyong (China), Prof. Dr. Włodzimierz Klonowski (Poland),
Rene Agnero Loes (Ivory Coast/France), Prof. Dr. Dan Dumitrascu (Romania),
Prof. Dr. Christina Dias-Allesandrini (Brazil), Prof. Joseph J. Moreno (USA)*

It is our great pleasure to send you the first announcement, *INVITATION* and further details about the forthcoming World Symposium..in exclusive Congress center "Brioni / Hystria" in PULA / CROATIA, from 26th September to 29th September 2019. This is as well the chance to visit beautiful Croatian town Pula, the largest town on the Hystrian peninsula which offers a diversity attractions to lovers of culture, arts and science.

Twenty years ago, in the beautiful interior of the Old Theater in Hvar, the oldest preserved popular Theater in Europe, on the Croatian island of Hvar , one of the cradles of Renaissance cultural vigor in this part of the Mediterranean , the 1st International Symposium under the title "Art and Science in Life Potential Development", was held. It was the first scientific conference of this kind worldwide, which gathered experts from most different scientific disciplines, bio-medical, social, humanistic and other sciences..., but also from the field of arts. In the light of contemporary holistic approaches, the attending participants (scholars, experts, students..artists ...)shared their views and experience from various field of education, clinical and scientific research projects on the topic of development and support of life potentials in human.

Since then nine of the international Symposia have been held in Croatia , which were attended by numerous participant (experts, scholars, student, artists...) from Croatia and abroad. The previous Symposia were organized under the auspices of: Croatian Ministry of Science and Education , Croatian Ministry of Health and Ministry of Social Welfare , Croatian League Against Cancer, European Association of Sophrologie, International Union Against Cancer , European Consortium of Universities for Art Therapy Education (ECaRTE),, University of Split (in collaboration with Art Academy) , Croatia...

We do hope that you will be able to attend the World Symposium in CROATIA from 26th until 29th September 2019 and urge you to study the Preliminary Topics and Priority Registration Form which is enclosed with this Letter of Invitation.

For further information on all programs offered through the Symposium on Arts Science in the Development of Life Potentials (and International Post-symposium Autumn School: *Sophrology and Arts in Education and Therapy*), please contact: Symposium secretariat: hupohr@gmail.com / or Ivana Antunović - arbornundi86@gmail.com, Ana Hanić - ahanic22@gmail.com

We invite you to participate in International Symposium with your lectures, poster presentations, installations, art-exhibitions... Official languages of the Symposium: Croatian, English, French *Please, see the enclosed leaflet for additional details concerning registration; deadline for abstract submission; hotel accommodation and other information... Please distribute this message to anyone who might be interested. Your collaboration will be much appreciated. Thank you!*
